A BIG Thank You Senior Youth Work Camp!

What a great week! We were so blessed all week with good weather and great fellowship! We met new friends, worked hard, and accomplished so much! From weed eating & mowing, fixing the Alexander Mack wiring, finishing the bridge to the pond, upgrading the Sewell & Crumpacker cabins with new wiring, insulation, sheetrock, & paint, setting up the forms and pouring the concrete for the Amsey Expansion, to clearing some brambles and over growth on the back property so the truck could bring the goats in! Camp is looking great!

As we step out in faith with the Amsey Expansion, we are in awe at how the Lord is blessing this project! The permits are bought, the septic expansion is scheduled and the foundation work was completed by the work camp! The money is going quickly. We will continue to move ahead as the funds are available. If you would like to help with the Amsey Bollinger Expansion, please send your donation to Gary Ackerman @ 44 N. Pit Ln, Nampa, ID 83687.

New bridge completed to the pond!

After 4 years, the bridge to the pond is now completely rebuilt! Special thanks goes to Tim Gross for heading up the project, Gary Sedlacek for hours of work cutting timbers, the youth work camp for 3 hard days of work to see this project to completion, and all the others that have supported this project since the old bridge was condemned.

A big thank you to Bob Jacobsen for the use of his DR mower. It saved the camp \$500!

Each youth had a chance to work on each project.

They all worked hard without complaining.
